

Pastor/Mentor Reference Form

Finger Lakes Ignite School of Supernatural Ministry is a Bible-based part-time school established to equip and train leaders and lay people 18 and older to experience and represent God's kingdom in their lives, churches and spheres of influence. Our goal is to prepare revivalists filled with God's grace who passionately pursue personal and regional transformation wherever they are called to serve. Our students learn to operate in the gifts of the Spirit, as well as to live in the supernatural power of God's love as an everyday lifestyle. Every class includes worship, testimonies and activations. Outreach assignments are included in each school quarter. Students are strongly encouraged to honor the authority of their local pastor/s and contribute to the faith-life of their local congregation.

*This form is to be completed by a person unrelated to applicant who knows the applicant well enough to answer the questions below in an informed manner. **Please return before first class.***
